UK Examinations News

Peak Periods for UK Examinations in 2019:

Spring: 18th March – 22nd April **Summer:** 3rd June – 21st July

Examination Fees

An examination can be arranged at a teacher's studio provided there are guaranteed entry fees totaling a minimum of £658 per day for 2019. Half days must be consecutive to a full day of the same genre and the minimum fee for a half day is £558.

For example: 1.5 days is £1,216

The 2019 fees are available on the ISTD website.

A rebate of 10% will be allowed on examinations outside of peak periods on entries totaling over £815 per day, providing the timetable and fees are submitted through Quest a minimum of 4 weeks prior to your exam date.

For exams of two or more days, the rebate can only be taken on the days which total over £815.

For example, if your first day totals £840 and your second day totals £675 you will only be eligible for the discount on the first day.

Please note that we are unable to accept requests for triple exam sessions during our peak periods. Triple sessions are those that would require a multi genre examiner. For example: Ballet and Modern, Ballet and Tap or National and Tap.

Payment

The quickest and easiest way to pay is by credit or debit card. For private sessions card payments can be made directly through the Quest system for each exam session. If you would like to pay by debit or credit card for Centre sessions please call **+44 (0)20 7377 1577**. One of our team members will take your exam details and transfer you through to an automated system where you will enter your card details using the keypad on your phone. The system is highly secure and will email you a receipt for the payment. There will be no additional charges for this service.

You may also make payment via bank transfer. However, please ensure that you use your exam session number as reference so that we can process this efficiently.

For private sessions you will need to notify us of your transaction through Quest once you have made this payment.

Please note the ISTD is no longer accepting cheques.

Quest

We would like to take this opportunity to thank all members for their patience in this transition period to our new online system Quest. We are confident that Quest will improve both the efficiency and speed of the exam process.

Timetables

When timetabling your exam days please be aware of the following:

- A full day is six and a half hours of examining time
- If your timetable is scheduled to run slightly over this you may speak to your examiner and if they are happy to do so, we will permit timetables to be up to seven hours of examining time
- If your timetable is scheduled to be longer than seven hours of examining time please contact the office as an extra exam day may need to be arranged. We cannot always guarantee that your examiner will be available close to the scheduled date but we will do our best to accommodate your request
- Please remember to contact your examiner to discuss the start and finish times of your exam days. Your examiner's contact details are provided in the confirmation email that is sent to you when an examiner is appointed. Examiners may be travelling long distances and we ask that you communicate with them to establish timings that are suitable for both parties

“We are proud to be affiliated with such a prestigious and international examination board as we fully understand the benefits the ISTD brings to children and adults alike.”

Once we have received notification and payment, the student will be able to access the final assessment area within Totara. Therefore, please take note of the intent to enter dates when considering your planning for the DDE.
