UK Examinations News

Peak Periods for UK Examinations:

Autumn: 16th November – 23rd December 2019 **Spring:** 2nd March – 13th April 2020

Examination Fees

An examination can be arranged at a teacher's studio provided there are guaranteed entry fees totalling a minimum of £658 per day for 2019. Half days must be consecutive to a full day of the same genre and the minimum fee for a half day is £558. For example: 1.5 days is £1,216. The 2019 fees are available on the ISTD website. A rebate of 10% will be allowed on examinations outside of peak periods on entries totalling over £815 per day, providing the timetable and fees are submitted through Quest a minimum of 4 weeks prior to your exam date.

For exams of two or more days, the rebate can only be taken on the days which total over £815. For example, if your first day totals £840 and your second day totals £675 you will only be eligible for the discount on the first day. Please note that we are unable to accept requests for triple exam sessions during our peak periods. Triple sessions are those that would require a multi genre examiner. For example: Ballet and Modern, Ballet and Tap or National and Tap.

Payment

The quickest and easiest way to pay is by credit or debit card. For private sessions card payments can be made directly through the Quest system for each exam session. If you would like to pay by debit or credit card for centre sessions please call **+44 (0)20 7377 1577**. One of our team members will take your exam details and transfer you through to an automated system where you will enter your card details using the keypad on your phone. The system is highly secure and will email you a receipt for the payment. There will be no additional charges for this service.

You may also make payment via bank transfer. However, please ensure that you use your exam session number as reference so that we can process this efficiently. For private sessions you will need to notify us of your transaction through Quest once you have made this payment. Please note the ISTD is no longer accepting cheques.

Timetables

When timetabling your exam days please be aware of the following:

- A full day is six and a half hours of examining time
- Please remember to contact your examiner to agree suitable start and finish times. Contact details are provided in the confirmation email that is sent to you when an examiner is appointed
- If your timetable is scheduled to run slightly longer, please speak to your examiner. If your examiner is agreeable, we can permit timetables with up to seven hours of examining time
- For timetables exceeding seven hours of examining time please contact the office as an extra exam day may need to be arranged. We cannot guarantee that your examiner will be available close to the scheduled date but we will try to accommodate your request
- All timetables and payment must be submitted no later than four weeks before your exam date

Music Note

Please note that pianists are required for Imperial Classical Ballet and Cecchetti Classical Ballet vocational exams. CDs may be used for all graded and class examinations.

DDE Tutor Training

Following on from the success of our e-learning Tutor Training we are currently reviewing the provision in order to update the work and make improvements for accessibility and design.

New e-learning modules for mandatory training will be available soon.

Please look out for further training opportunities on our website whether it be for mandatory Tutor Training or for modules to support your CPD needs.

For general inquiries regarding Tutor Training please email totara@istd.org

DDE Assessments

The Diploma in Dance Education (DDE) assessments, units 1 and 5, are accessible and uploaded onto Totara, the learner management system. When a student is ready to submit to the final area within Totara the Approved Dance Centre (ADC) will need to complete an intent to enter form and email this directly to pqmanager@istd.org. You are able to contact us prior to this date, however the date published is the last day you are able submit. If you miss this date you will need to submit in the next batch. The

ADC will also follow this with payment to the ISTD for the individual units/s. Once payment and intent to enter have been received, the Professional Qualifications team will make arrangements for the final assessment areas to become available for the student. The administrative process can take up to 10 days. Therefore, please take note of the intent to enter dates when considering your planning for the DDE.

	11th November 2019	2nd December 2019

	15th June 2020	6th July 2020

Although the ISTD will make every effort to adhere to these dates, they are always subject to review and potential alteration.

Level 6 Diploma in Dance Pedagogy

Our next cohort for the Level 6 Diploma in Dance Pedagogy will commence in September 2020. We will therefore be accepting new applications from October 2019. The closing date for applications for a September start is 28th February 2020. Interviews will take place in April/May.

We are, however, accepting applications from those who might be interested in taking individual units in order to develop their CPD. The deadline for applications is 30th August 2019.

The specialised unit holds 20 credits towards the Level 6 Diploma in Dance Pedagogy and 30 guided learning hours. Units are offered on an individual basis to allow our teachers to access regulated professional development opportunities and gain credits that can later contribute to advanced study. For an application pack or to ask a question, please contact Education & Training on **+44(0)20 7377 1577** or email hqualifications@istd.org. Alternatively, download a prospectus from the ISTD website at istd.org/level6-ddp.
