

for DDE assessments only

Please use this form when requesting reasonable adjustments for 'DDE assessments' only. If you are requesting reasonable adjustments for DDE Unit 4, you should use the ARA Form for Examinations.

Who can apply for reasonable adjustments and what are they?

The Society is committed to the provision of equal access to assessments for all candidates, in line with the UK Equality Act 2010 and any successor legislation. The Equality Act 2010 requires all awarding organisations to make **reasonable adjustments** where a candidate, who is disabled within the meaning of the Equality Act 2010, would be at a disadvantage in comparison to someone who is not disabled.

Reasonable adjustments can be made for candidates taking assessments to alleviate or remove the effect of an impairment, medical condition or learning need which places the candidate at a disadvantage.

What should you consider when requesting adjustments?

The Society has a responsibility to ensure that the process of assessment is robust, fair and allows the candidate to show what they know and can do without compromising the assessment process. Reasonable adjustments can only be approved if they do not jeopardise the integrity of the award and/or give unfair advantage.

There is no duty on the Society to make adjustments which the qualifications regulators have specified should not be made, and there is no duty to make adjustments to **learning objectives**, **assessment criteria** or **assessment requirements** within a qualification because, to do so would likely undermine the effectiveness of the qualification in providing a reliable indication of the knowledge, skills and understanding of the candidate. We can approve adaptations to the way the assessment is conducted to make the work accessible. These are **reasonable adjustments**. What the candidate presents for assessment is then marked at the same standard as any other candidates.

Eligibility

Candidates will only be eligible for reasonable adjustments if their disability or difficulty places them at a disadvantage in the assessment situation, in comparison to a person who is not disabled or affected. It is the responsibility of the ADC and the Tutor to ensure that all applications for reasonable adjustments are based on the individual needs of the candidate and that the evidence in support of the application is sufficient, reliable, and valid. Failure to comply with the regulations contained in the Access Arrangements and Reasonable Adjustments Policy have the potential to constitute malpractice which may impact on the candidate's result(s).

How do I apply for reasonable adjustments for ISTD assessments?

To make an application for reasonable adjustments, the Tutor making the application on behalf of the candidate should complete Section A of this form, providing a clear description of every adjustment being requested to the assessment. It will be necessary to state whether the requested adjustments are minor, moderate, or substantial, e.g. a minor adjustment could be making the Assessor aware of a candidate's learning difficulties in written assignments. Further guidance for reasonable adjustments can be found in the ISTD Access Arrangements and Reasonable Adjustment Policy which is available on the ISTD website. The tutor is required to seek the candidate's written consent for sharing their information with the ISTD for purpose of applying for reasonable adjustment.

To submit application, send the following documents by email to ara@istd.org:

- Reasonable Adjustment Application Form
 - Section A completed and signed by the Tutor
- Supporting documentation (official report or confirmation from a medical professional, a fully qualified chartered educational psychologist or other appropriately qualified expert) will be required to support the application (where applicable).

All documents listed above must be submitted at the same time. Incomplete applications may cause delays. Applications must be sent to an ISTD ARA Administrator within the specified time frames (see below).

Under no circumstances should an Application for Reasonable Adjustments be provided directly to an Assessor.

Any request for reasonable adjustments must have been approved before a candidate can be assessed.

Application time frames:

It is essential that you submit your application as early as possible, and before submitting Intent to Enter. We will not accept applications received outside the published time frames.

Please submit your application for reasonable adjustments within the following time frames to allow for arrangements to be put in place:

Assessment	Application must be received
DDE Unit 1 and 5	Minimum 28 days before the Intent to Enter deadline
DDE Unit 2	Minimum 28 days before the intended date to film the FTA Class

What will happen after making an application?

We will review your application and consider the following factors:

- the individual needs of the candidate
- the effectiveness of the adjustment
- the cost of the adjustment
- the likely impact of the adjustment upon the candidate.

Your application may be declined if the adjustment:

- involves unreasonable costs, or
- involves unreasonable timeframes, or
- affects the security and/or integrity of the qualification.

The decision made may vary according to the exact nature of the candidate's needs and extent of adjustments required and within 21 days of the date the application was made.

Please note that if a teacher wishes to make changes to an agreed reasonable adjustment arrangements, further approval and additional supporting evidence may be required and may involve longer time frames.

The assessment cannot take place until the approval process has been completed.

General data protection regulations

To apply to ISTD to request reasonable adjustments, your ADC will need to share your candidate's information, which is regarded as sensitive data under current GDPR Regulations. This means that you will need the candidate's signed consent to share their confidential data with the ISTD for purpose of processing the candidate's application for reasonable adjustment. The written consent must make it clear that ISTD may hold the data for as long as necessary including time for any potential appeal, and to convey it securely to the examiner. ISTD will not accept applications for reasonable adjustment unless the ADC/ tutor has signed a declaration that they have the appropriate consent.

The ISTD will securely destroy the information when it is no longer required but may hold anonymised data to be aggregated for reports and analysis. ISTD operates its Access Arrangements and Reasonable Adjustments Policy in line with current regulations.
