### **Long copy:**

#### **Start your journey to become an ISTD dance teacher**

Are you passionate about dance and ready to take the next step? The ISTD Trainee Teacher Package is designed for students training to become qualified dance teachers. This package connects you to the ISTD community from day one, giving you access to resources, support, and recognition as you work towards your teaching qualifications.

#### **What is the Trainee Teacher Package?**

The Trainee Teacher Package is your gateway to a professional career in dance teaching. As a member, you'll enjoy:

- **Registration and certification** as part of your qualification process
- Support to begin **building a professional profile** while you train
- Regular **targeted communications** to guide your journey
- Access to **advice and guidance** to support your career progression
- **Discounted CPD** opportunities to enhance your skills
- **Discounted syllabus products** to support your teaching practice
- **Discount on your first year of full teaching membership** upon graduation
- Being part of a **connected community of trainee teachers** and professionals
- **Networking opportunities** within a global family of dance teachers
- A **tailored hub** for resources via our learning platform
- Access to genre, regional, and international **Facebook groups and meetings**
- A termly **digital Dance magazine**

#### **Why is the Trainee Teacher Package important?**

This new package ensures you're part of the ISTD community from the start, building loyalty and strengthening your pathway to full membership. It's a mark of quality and professionalism that sets you apart.

#### **How does it work?**

Registration is simple: as your Approved Dance Centre (ADC), we will register you for your qualification and membership in one combined process.

The one-off package trial fee is £53, covering up to five years of access to resources and support.

### **Next steps**

When you enrol for your DDE qualification, you will automatically be registered for the ISTD Trainee Teacher Package. This is an essential part of your training journey and ensures you have access to all the tools and support you need to succeed.
