# Why enter students for ISTD Performance Awards?

**Empower your dancers. Celebrate their individuality. Support their growth.**

The **ISTD Performance Awards** offer a flexible, inclusive and inspiring way to recognise and develop performance skills in dancers of all ages and abilities.

## What are Performance Awards?

Performance Awards are **non-technical examinations** focused entirely on performance skills. They are designed to:

- Encourage **creativity and self-expression**
- Build **confidence and stage presence**
- Develop **audience awareness and musicality**
- Celebrate **individual artistry** across all dance styles

They are suitable for **any genre**, including ISTD and non-ISTD styles and fusions.

# Why should teachers enter students?

1. **Inclusive and accessible**  
No prior qualifications are needed. Open to dancers aged **5+**, with no upper age limit.
2. **Flexible and creative**  
Teachers can choreograph freely, explore new styles, and tailor dances to suit individual learners.
3. **Supports progression**  
With **six progressive stages**, students can build performance skills over time, from foundational confidence to more refined artistry.
4. **Encourages retention and motivation**  
Students receive **certificates, badges, and examiner feedback**, helping them feel recognised and inspired to continue dancing.
5. **Easy to integrate**  
Awards can be delivered in **person**, via **livestream**, or as **recorded exams** – ideal for mixed exam days or remote learners.
6. **Enhances transferable skills**  
Performance Awards help develop discipline, teamwork, resilience, and emotional expression - skills that benefit students beyond the studio.

## Entry overview:

- **Categories:** Solo, Duet, Trio, Group
- **Assessment:** Based on 10 performance criteria
- **Result classifications:** Pass, Merit, Distinction
- **Booking platform:** Quest (ISTD members only)

## Ideal for:
