## Join us for our annual Summer Programme, 31 July – 11 August 2023. We are returning to the studio at Laine Theatre Arts, with supplementary online courses.

Over the past few years, members have told us that they have missed face to face learning – so you now have the opportunity to access courses in studio and online.

There is a wide range of CPD to pick from, delivered by our expert teaching teams and these courses are ideal for both experienced teachers, as well as those still in training.

CPD has a direct impact on the success of your business, by keeping your practice current and vibrant and assisting your learners to stay creative, motivated and inspired. So don't miss the opportunity to secure your spot to upskill your practice and network before the autumn term starts.
